### **Visa to Croatia:**

**Visa to Croatia:** When visiting Croatia visa may be required. Immigration requirements typically include a valid passport for at least 6 months and other documents depending on your nationality. For the latest visa requirements and detailed information, visit the official website of the Ministry of Foreign and European Affairs of Croatia at <https://mvep.gov.hr/consular-information-125335/visas-180242/180242>.

EU citizens, the US, Canada, and several other nationals can enter Croatia visa-free for short stays.

Please check current regulations before your trip, as policies can change.

We have already issued the letter of invitation for visa purposes to the requested delegates.

**Healthcare:** Healthcare services in Dubrovnik are provided by the public and private sectors. Health insurance is advised before coming to Croatia. EU residents can access healthcare through the European Health Insurance Card (EHIC) in the public healthcare system. The private healthcare is more expensive.

**Personal medicine:** Delegates are recommended to bring their required special medicines.

**Clothing:** Please bring clothing to suit the climate. Maximum daytime temperature in May is around ~20°C (~70°F), while at night drops to around ~10°C (50°F). The sunshine is about 8 hours with 15 hours of sunlight a day. The sky is generally clear but expect occasional showers.

Further information on Croatia can be found on the official website of the Croatian National Tourist Board, <https://croatia.hr/en-gb>

**Croatian electricity system:** Croatia operates on a 230 supply voltage and 50Hz and the power plug has two round pins. Visitors from the EU (except Great Britain and Ireland) don't need an adapter whereas visitors from other countries may need an EU adapter.
